

CHANGES YOU MAY SEE AT RACES

HEALTH SCREENING

Participants and expo guests will be expected to acknowledge a pre-event health questionnaire prior to entering the Health & Fitness Expo venue.

FACE COVERINGS

Face coverings will be required for all individuals attending any indoor venues during the Rock 'n' Roll Running Series event. This includes registration and expo areas.

ENHANCED HYGIENE

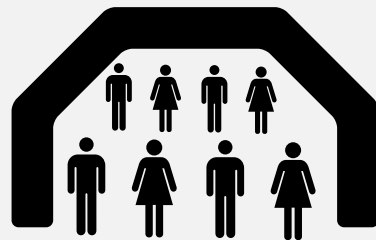

Hand sanitizer and hand washing stations will be readily available around our venues, with a greater emphasis placed on hygiene throughout.

RUNNER ETIQUETTE

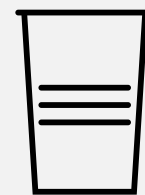

A renewed focus on runner etiquette and education through our Return to Running Pledge ensures everyone is doing their part as considerate community members.

START LINE

One of several alternative start configurations may be implemented to reduce the number of participants waiting in an enclosed area and optimize distancing opportunities.

AID STATIONS

Increased spacing of aid station tables allow more room and time for runners and walkers to refuel within the aid zones.

FINISH LINE

Space-optimized for participants, volunteers and staff, there will be more room to move through the secure zone as you recover.
