Utilize the Waze App on your phone. All road closures have been input in there so add in your destination and you'll be routed around closures to reach your destination.

Check out road closures [here](#)

Utilize [SpotHero](#) to prepurchase parking around the Finish Line and Start Line

The San Diego Trolley is a great resource and way to get around to points on the course

Want to track your friends and family along the route, download the Rock 'n' Roll Running Series App and follow them along their journey. It will give you estimated times your runner will hit certain spots along the course!

Start Line area: 6th and Quince. 6th will be closed but you can park and walk from side streets surrounding the area

Finish Line area: Union and Ash. Ash will be closed, but utilize open side streets around downtown and Little Italy.
